Date _____

____Initial to DECLINE consent.

Patient Informed Consent

Acupuncture is performed by the insertion of PRE-STERILIZED, DISPOSABLE Acupuncture Needles through the skin at certain points on the body. The benefits and risks of receiving Acupuncture and Oriental Medicine treatment have been explained to me. Although rare, certain side effects may result from Acupuncture and I understand that each procedure or treatment has specific risks and benefits. I have been informed of the risk and benefits of the procedures and products listed below that apply to my treatment. In addition, I understand that Bonnie Spina, L.Ac. Is not a medical doctor, psychologist, clinical psychologist or psychiatrist and does not portray herself as one. Should I believe that I require these services, it is my responsibility to consult those professions.

Services

Acupuncture
Electric Stim
Herbal Medicine
Acupressure
Illumination

Risk

Pain or infection at site of needle insertion
Minor bruising
Needle sickness
Broken needles
Moxa skin burns

Authorization

I authorize release this information to my insurance company.

- ==** Radiating Pain

It is very important in Chinese Medicine to know how long a patient has experienced his/her symptoms. Thus, it is essential to indicate time on the symptoms.

Please indicate with:

- **one check** any condition that you sometimes experience
- **two checks** for those which often occur
- **three checks** for symptoms that are a major concern.

Pain (please describe) _____
